## Camera cannot be recognized on Windows 8.1

1. Please download the other 2 Driver files(**usbccgp.sys & usbvideo.sys**) and save them to your computer desktop in one folder.

- 2. Plug the USB HD camera to the PC
- 3. Right click your computer Windows 🔛 and select Device Manager

4. Unfold Alcatel ADB Devices , right click Alcatel ADB InterFace and select Update Driver Software

5. Select Browse my computer for driver software

6. Click **Browse** and choose the saved file with **usbccgp.sys** and **usbvideo.sys**, then click **OK** and **Next**, wait for it to install.
